SCALE	**PROJECTION**
Not to scale	Third angle

Indicative drawing for planning. Sizes, materials and layout are confirmed in the written quotation.

WHY IT WORKS

01 **Real free fall**

Drop from 25 to 50 m with no ropes attached.

02 **Tensioned catch net**

Large net absorbs the fall softly.

03 **Trained crew**

Run by trained operators and a release master.

04 **Premium ticket**

A top thrill that sells at a high ticket price.

SITE REQUIREMENTS

Net and cage kit

Catch net, frame tubes, cage, release hooks, harnesses and safety gear.

JUMPKING

Ground anchors

Soil test and anchor points for the net and crane pad.

YOU SUPPLY

Rigging and drop tests

Net rigging, crane setup and sandbag test drops before opening.

YOU AND JUMPKING

Crew training

Operators learn release, net checks and rescue drills.

TRAINING BY SPECIALISTS, QUOTED

PRICE AND TERMS

STARTING PRICE

From ₹3,70,00,000

Tentative price for the standard configuration. The real quote is given after we understand the quality, quantity, size, materials, location, budget and current material prices.

GST	18%, extra
Installation	By technicians, quoted per project
Shipping	Extra, at actual
Lead time	60 to 90 days
Warranty	As per the manufacturer's terms
Payment	As per the written quotation
Price valid	Confirmed in the quotation

07 PROCESS

HOW IT WORKS

01 **Site survey**

Engineers assess the location, ground, access and services.

02 **Engineering and design**

Drawings, load calculations and safety plan prepared for approval.

03 **Approvals**

Local permissions and third-party safety inspection arranged with you.

04 **Build and commission**

Installation by technicians, quoted separately, then load testing, operator training and handover.

08 PLEASE NOTE

ABOUT OUR PRICES

Made to your brief. Most of the range, and every project item, is fully customisable: size, shape, materials, finish, capacity and features are set to your requirement.

Prices are tentative and for guidance only. They are not an offer and not a final price.

Costs move with the world. Pricing depends heavily on international raw material prices and the USD to INR exchange rate. In the present geopolitical climate, freight, labour charges, the cost of living and taxes are all changing quickly, and prices change with them.

A firm price comes in writing. JumpKing issues a binding quotation only after understanding your full requirement: size, shape, quality, safety standards, location, budget, complexity and time frame.

Taxes as applicable on the date of supply. GST and any other taxes are charged at the rates in force when the goods and services are supplied.

Supplied by specialist manufacturers. JumpKing plans, designs and delivers. Photos, drawings and specifications are indicative; warranty is as per the manufacturer's terms.
