Price for the model shown, subject to stock and current rates. GST extra, shipping at actual.

GST	18%, extra

Warranty	As per the manufacturer's terms
Payment	As per the written quotation
Price valid	Confirmed in the quotation

07 PROCESS

HOW IT WORKS

01 **Site and brief assessment**

We review your site plan, audience, budget and local rules, then settle the configuration.

02 **Specification and quotation**

We set the specification for every unit and prepare the quotation, with the options laid side by side.

03 **Technical review**

We go through the proposal with you, advise on certification, and flag structural and safety points.

04 **Supply and installation**

Supply, shipping and installation run to the agreed plan, with JumpKing as your point of contact throughout.

08 PLEASE NOTE

ABOUT OUR PRICES

Made to your brief. Most of the range, and every project item, is fully customisable: size, shape, materials, finish, capacity and features are set to your requirement.

Prices are tentative and for guidance only. They are not an offer and not a final price.

Costs move with the world. Pricing depends heavily on international raw material prices and the USD to INR exchange rate. In the present geopolitical climate, freight, labour charges, the cost of living and taxes are all changing quickly, and prices change with them.

A firm price comes in writing. JumpKing issues a binding quotation only after understanding your full requirement: size, shape, quality, safety standards, location, budget, complexity and time frame.

Taxes as applicable on the date of supply. GST and any other taxes are charged at the rates in force when the goods and services are supplied.

Supplied by specialist manufacturers. JumpKing plans, designs and delivers. Photos, drawings and specifications are indicative; warranty is as per the manufacturer's terms.
