RIDES CATALOGUE

WATER HOVERBOARD

Jet powered hoverboard · runs off a jet ski

STARTING PRICE

From ₹5,50,000

Tentative · GST extra

FLY A FEW METRES OVER THE WATER.

Riders feel the lift under their feet, learn to balance in a few minutes and end the session carving turns above the lake, with friends watching from the jetty.

Indicative drawing for planning. Sizes, materials and layout are confirmed in the written quotation.

WHY IT WORKS

01 Runs off a jet ski

The board uses jet ski thrust through the hose, so no separate engine is needed.

02 Hover and carve

Riders lift above the surface and lean to turn and glide.

03 Operator controlled

The jet ski operator sets the throttle, so height stays under control.

04 Crowd puller

A rider in the air draws people to the shore and the booking counter.

SITE REQUIREMENTS

Ride zone survey

The ride area is checked from a boat with a depth sounder, buoys are laid out and distances from th...
